

**ADEEL QUADRI**

E-mail: [adeelquadri@adeelquadri.co.uk](mailto:adeelquadri@adeelquadri.co.uk)

Website: <http://www.adeelquadri.co.uk>

Date of Birth: 11<sup>th</sup> August 1984

Motivated and committed final year student of BSc Computer Science at Coventry University with a keen interest to start and develop a career in computer technology, software engineering and information systems that will build up a strong record of achievement and increasing responsibility. Conscientious and with approachable attitude while maintaining a strong attention to detail and able to work in a structured way.

**EDUCATION**

Coventry University

School of Mathematical Information Sciences

BSc Computer Science

September 2002 to present

**YEAR 3 SUBJECTS (September 2004 to present)**

- **Data Administration and Database Management**  
Studying how to design, implement and manage databases including the legal requirements.
- **Project Management**
- **Business Information Technology Strategy**  
Studying IT & IS strategies in business environment.
- **E-commerce and Mobile Technology**  
Studying the use of internet and mobile technology for use by B2B, B2C, and B2G and vice versa. Study also includes 3.5G & 4G technologies.
- **The Digital Society**  
Study includes the writing and presenting reports on the effects of computers from a social, legal, political, environmental and economical view.
- **Distributed Applications Development**  
Studying ASP.Net, VB.Net, XML languages and Web Services using Visual Studio .NET and Web Matrix.
- **Computer Science Project**  
Writing a dissertation project using techniques learnt to develop an internet and mobile technology solution for a commercial organization in the logistic industry.

**YEAR 2 SUBJECTS (September 2003 to June 2004)**

- **Software Engineering**  
Studied different techniques and strategies in software development such as rapid application development and waterfall cycle.
- **Professional Skills and Group Project**  
Lead a group project to design a web based system linked to a database and a backend application for disposal of old refrigerators for use by Coventry City Council. Web site built using Active Server Pages (ASP), JavaScript, HTML and Cascading Style Sheets (CSS). Database built using Microsoft Access and the Council application was developed using Visual Basic 6 (VB6).
- **Database System Concepts**  
Studied principles of database design and layout and learnt Structured Query Language (SQL). I am proficient Oracle, Microsoft SQL Server, MySQL and PostgreSQL databases.
- **Programming in JAVA**  
Learnt advanced JAVA features such as Threads, AWT, JDBC and Applets together with JAVA Server pages (JSP).
- **Introduction to Internet Technology**  
Learnt the use of ASP, VBScript, JavaScript languages and JAVA RMI, JAVA CORBA features.
- **Computer Communications**  
Learnt CISCO Networking 2 & 3 – configuration of Routers and Local Area Networks (LAN).
- **Commercial Programming**  
Learnt Visual Basic 6 programming language using Visual Studio 6.
- **System Development Tools and Techniques**  
Learnt advanced features of the Rational Rose case tool.

**YEAR 1 SUBJECTS (September 2002 to June 2003)**

- **Applications of Computers**  
Wrote and presented a project on the use of computer graphics in media/entertainment industry.
- **Information Systems development**  
Used the Rational rose case tool to demonstrate ways users interact with computer systems and to design a layout of a computer system.
- **Introduction to computer & networks**  
Learnt the basics of Networking and studied CISCO Networking 1.

- **New Technologies & Human Computer Interaction**  
Used Dreamweaver, Fireworks, Flash, Notepad, FrontPage, and Photoshop built various websites written in HTML.
- **Mathematics for Computing**
- **Systematic programming**  
Studied JAVA programming language and used it to build small to medium size software packages.

**Denbigh School – Milton Keynes**

**September 2000 to July 2002**

3 A-levels  
1 AS-level

**Broomfield School – Enfield, London**

**September 1995 to July 2000**

9 GCSE's

**INTEREST & ACHIEVEMENTS**

- Play and follow football and cricket
- Denbigh School team member and winners of Cranfield University Inter County Business Challenge during 2002
- Denbigh School team member and winners of Cranfield University Milton Keynes Business Challenge during 2001

**ADDITIONAL SKILLS**

- Knowledge and use of Microsoft Windows, Microsoft Office, Linux, MacOS, OpenOffice.org, Adobe Premier, Adobe Acrobat, Adobe Illustrator

**EMPLOYMENT HISTORY**

**Miller Brothers Ltd (Milton Keynes Branch)**

**June 2002 to Present**

**Cashier/Sales Assistant (Part Time)**

- Dealing and selling to customers on the shop floor
- Handling cash and credit payments including insurances
- Stock merchandising/handling
- Delivering and installing white and brown goods at customers premises

**Tempo Ltd (Milton Keynes Branch)**

**March 2001 to January 2002**

**Cashier/Sales Assistant /PC Repair (Part Time)**

- Dealing and selling to customers on the shop floor
- Handling cash and credit payments including insurances
- Stock merchandising/handling
- PC repair and upgrading

**Safeways Plc (Milton Keynes Store)**

**October 2000 to January 2001**

**Cashier (Part Time)**

- Handling cash and credit payments at till point

**REFREES**

Lisa Payne  
Senior Lecturer in Computer Science  
Coventry University

Mr Chris Biggs  
Store Manager  
Miller Brothers Limited
